We are looking for a **Careers Guidance Counselor for September** and if you are interested please send your CV to [recruitment@kisu.com](mailto:recruitment@kisu.com)

July 7th is the last day of school and students will be coming home at 12:00 bringing their end of year report. The end of year report is very comprehensive with a written comment by all teachers so there should not be any need for parents to see teachers. However, if you think you may want to see a teacher, there will be an opportunity to do so on Wednesday July 7th between 1:00 and 3:00pm. If you wish to see any teachers, please make an appointment with the secondary office by 4:00 on Tuesday July 6th.

## SCHOOL DIRECTOR'S MESSAGE

Dear all,

we end another busy week at school with students getting back their exams and getting feedback on how they have done, to help them with their planning for the next academic year. Teachers and students have also been working on the Science Symposium for Monday. The theme is energy and at the end of term I am going to enjoy going along to see if I can receive some energy. Tuesday will see the Secondary Swimming Gala. The teachers relay team is such a well kept secret because we feel that tactics will be an important part of our race.

This is the last newsletter of this academic year and I would like to take the opportunity to thank the chairman, board of governors, staff, students and parents for their support this year. Being in a school, our jobs are never done, but I feel that we are in a good position to start off next year and I look forward to

seeing what we can achieve in 2010/2011. Have a good rest and come back refreshed and ready to work.

Ian Williams  
School Director

If any parents are sailors and would like to teach the outdoor education trip in September for year 7s, please contact the secondary office or Catherine Meyer

## MUSIC DYNAMICS

### Correction:

In the last newsletter it was reported that Natasha Radia did a Grade 2 Piano exam and got a Merit, but she actually did a Grade 6 piano exam!

Thank You

### **SPORTS UNIFORMS**

There are still students out there with their team kit! We are organising our team uniforms for next year and we need all our uniforms back to fit out our teams. PLEASE return them on Monday. It is an honour and a privilege to wear our team uniforms but they are not yours to keep. The only people who should have a team uniform are those who ordered their own personalized uniform.

Thank You. Have a safe, enjoyable and active holiday.
